Active Parenting of Teens

Wednesdays
11/06/24
to
12/11/24

For caregivers of preteens and teens, this video and discussion program provides skills needed to use effective discipline, teach responsibility, and how to communicate with teens. Each session shows caregivers how to handle sensitive issues such as drugs, sexuality, and violence.

Active Parenting of Teens

Positive Solutions

Positive Solutions

Tuesdays
11/05/24
to
12/17/24

The purpose of this class is to equip parents with positive and effective parenting behavior techniques. These improve social and emotional development for your children while providing better understanding of how children communicate with us.
